To all parents and guardians (*Please arrive no later 6:30 p.m. to receive instructions for the evening*)

1. Please verify that you have a copy of your son's schedule and the campus map (if needed).
2. After tonight's general meeting, you will have the opportunity to meet with your son's teachers. **Please follow your son's Monday schedule. Physical Education classes will meet in Sanders Gym in St. Augustine Commons.**
3. Follow the bell schedule listed below. There is a five minute passing period between classes. If you have questions about the classroom locations, please feel free to ask any faculty member, administrator, or student ambassador for assistance.
4. Each class will meet for ten minutes. Teachers will introduce themselves; and in most cases, pass out a course syllabus; provide information about their tutoring hours; discuss course expectations and grading policies.
5. If you have specific questions about your son's progress in a class, please understand that teachers likely have not had sufficient time to evaluate your son's progress; so please use tonight as a means for you to understand what is expected of your son for the classes in which he is enrolled.
