

St. Augustine 2021-22 Online Bookstore

Using the Follett online bookstore for Saints is the best way to guarantee your son's textbooks. Follett offers rental and purchase pricing options, plus Follett will guarantee free returns on all rented textbooks and buyback options for purchased textbooks.

Follett also guarantees that your son will receive the correct, current edition of the textbook. This is very important for certain classes that use online components and/or online subscriptions that come included with the textbook when rented/purchased through our online bookstore.

HOW TO ORDER

1. The online bookstore is scheduled to open on Tuesday, July 6. Please access the bookstore through the Saints webpage (you will see a "Follett Virtual Campus" logo about halfway down on the school website).
2. Use your son's schedule to fill a shopping cart based on the classes he is taking. Where it is available, you may choose rental or purchase options. Please be aware that all rental books must be returned at the end of the school year, within 2 weeks of the conclusion of classes. Your son's schedule is included inside this summer mailing packet.
3. Go to checkout and you will be prompted to login to your account if you are a returning customer. If you are a new customer, set up a new account. Be sure to use an email address that will not change between now and the end of the school year. This will impact your ability to return books for free through the shipping labels Follett will send you at the end of the year.
4. A credit/debit card will be required to finalize the payment and order. Please print your receipts and keep them for your records. If any of your son's books are placed on back order, your card will not be charged until the order is fulfilled. Please make sure you are using a card that will not expire over the next couple of months.

We recommend that you order your son's books as soon as possible. Back orders and delays can and do happen. Ordering in July will vastly improve your chances of receiving your son's books before the start of school in late-August.
