St. Augustine High School is a Catholic, college preparatory high school for young men grades 9-12. Our mission is to provide a Catholic liberal arts education for young men in an environment that promotes the development of mind, heart, and body in the Augustinian tradition. By helping to form loving disciples of Jesus Christ we communicate to the world the gospel values of Community, Truth, and Love. At Saints, we are intent on preparing young men to live in both the City of God and the City of Man. The school was founded in 1922, by the Order of St. Augustine.

Saints has an enrollment of approximately 700 young men from the greater San Diego and Tijuana area with a rich ethnic and racial mix. The average class size is 25 young men from a variety of socio-economic backgrounds and neighborhoods. Many students come long distances each day to attend school, including those who cross the international border each day.

Memberships: International Boys' School Coalition, National Association of College Admissions Counselors, Western Association of College Admissions Counselors, Augustinian Secondary Education Association and College Board.

COVID-19 Statement:

During the California COVID-19 lockdown from March to June 2020 all instruction was online through our Canvas LMS platform. We continued to give letter grades for the Spring Semester. The Summer 2020 session was held on campus with letter grades assigned. For the 2020-21 school year we used a hybrid schedule with classes online one day per week and on campus four days per week. Letter grades were assigned as usual. For the 2021-22 school year we will return to a standard school schedule.
